

Are you moving or spring cleaning?

Please consider donating any items that are still in good condition to your favorite charity instead of throwing them in the garbage. Many charities will pick up items if you don't have a way to transport them.

The City will have dumpsters for excess garbage from West Lafayette residents from April 29-May 22 at the following locations:

1. Vine at Pearl
2. Vine at Stadium
3. Williams at Chauncey
4. Lutz at Salisbury
5. Grant at Garfield
6. Garfield at Evergreen

The dumpsters are for garbage only. We do not accept electronics, yard waste, hazardous chemicals, paint, construction debris, or appliances. For more information, visit our new website at www.westlafayette.in.gov or call 775-5242.

The City will host a **free** Document Shredding Event on Sat., May 7th from 11:00am—1:00pm. A secure mobile shredding unit will be available to the public in the parking lot of Morton Community Center, 222 N. Chauncey Ave.

****Please note...Three ring binders and large pieces of metal are not allowed****

The following charities are just a few options
for unwanted items that are still in good
shape:
